<http://www.open.uwi.edu/undergraduate/financial-information>

HOW TO APPLY

Applications for the programme will be accepted online.

Interested persons should complete an application form available at

<http://apply.open.uwi.edu>.

The instruction sheet can be downloaded by going to

http://www.open.uwi.edu/sites/default/files/Information_Instruction_Sheet.pdf

WHAT DOCUMENTS SHOULD I SUBMIT?

1. Signed copy of Declaration Page (required for all online applications) Please note that this document will only be accessible after you have selected the "Application is Complete" button.
2. Birth Certificate (not required from UWI graduates)
3. Marriage Certificate (where applicable)
4. Legal Affidavit or Deed Poll if your present name is different from that on the Birth Certificate
5. Professional Certificates/Diplomas obtained from institutions other than UWI
6. Official Transcripts (for non-UWI graduates)

Please note that official transcripts must be sent directly from the granting institution to The UWI Open Campus (please see mailing address at the back of the brochure). All other documents should be submitted through an Open Campus Country Site. Applicants are requested to take the originals to the nearest Site where they will be copied, certified, scanned, and then forwarded to the Assistant Registrar. Applicants from countries without an Open Campus Country Site should write to the Assistant Registrar at admissions@open.uwi.edu.

WHY STUDY AT THE UWI OPEN CAMPUS?

The Open Campus provides attractive options for academic progress, lifelong learning and career development in a variety of formats and modes of delivery. Join the over 20,000 students who study in the Open Campus each year. Some of the reasons that students choose the Open Campus include:

Access: The Open Campus provides opportunities for students to gain access to higher education. The design of the programmes with entry at several levels allows more students access to The UWI through a number of different matriculation options.

Study at your own pace: The mixed mode teaching delivery method of the Open Campus allows students to organise their time to better fit in with their personal and work commitments. Students can achieve their academic goals on a flexible schedule.

Cost-effectiveness: The Open Campus offers courses/programmes at very affordable cost that can suit any budget. We also offer several financial payment options.

In-country education and training: Many of our programmes offer students the opportunity to study while remaining in full-time employment. In addition, the new skills and ideas developed can be applied in the workplace.

Professional Development: The Open Campus offers opportunities for persons to keep abreast of new ideas and concepts in their own fields of work or in other disciplines.

Management Studies (International Management)

INTRODUCTION

Economic and business activities are becoming increasingly international. There is a great demand for individuals who are equipped with conceptual and analytical competencies in order to formulate feasible and effective management practices within a complex international setting. This BSc Management Studies (International Management major) programme is ideal for persons with aspirations of working within the global environment, whether in an organization based abroad or located in their home country.

ABOUT THE PROGRAMME

Using a wide range of management tools, this BSc Management Studies (International Management major) programme will equip you to develop strategies for working outside the traditional boundaries. It is geared towards increasing inter-cultural awareness while building your core management expertise. You will stand out from other persons with management-related degrees as you will not only be equipped to deal with management strategies, finance, employee relations, but additionally, issues of culture and ethics – all from an international perspective. The programme aims to:

- Provide the knowledge and skills required to be competitive in a dynamic global environment
- Improve and expand analytical capabilities on global business opportunities in the 21st century
- Develop skills in strategic planning, problem-solving, decision-making, technology management
- Promote analytical competencies to deal with international business practices and to determine appropriate strategies for working across borders

WHO IS THE PROGRAMME FOR?

The BSc Management Studies (International Management major) programme targets persons who are currently working in any of the numerous areas of the management and administration within government ministries; private sector entities of business, industry and commerce; non-governmental organizations; educational institutions; and persons with an interest in the field of study.
